

30 Days/30 Stories®

Team PCFLV

We are Team PCFLV.

We are: 4 women, 4 mothers, with 9 kids between us, 3 of whom are cancer kids. Together, we work a minimum of 125 hours each week (and usually many more) to bring the mission of PCFLV to our community, to the families that we embrace throughout this journey. Cumulatively, we have spent 13 years working for PCFLV, although it is so much more than "work" to us. And, altogether, we have spent 57 years as cancer moms. We KNOW this journey.

The PCFLV journey involves:
275 families
1300 family members
32 children diagnosed in the Lehigh Valley so far in 2019
3 children from the Lehigh Valley who are no longer with us as of 2019
3 children whose cancer was gone…and came back in 2019
$20,000 in gift gas, grocery, hospital cafeteria, and birthday gift cards given to families in 2019
$15,000 in college scholarships awarded to cancer kids in 2019
700 tickets purchased by PCFLV for local sporting and entertainment events for families in 2019
50 events and programs hosted by PCFLV for our families in 2019
And so much more!

September is Pediatric Cancer Awareness Month. And while it is the end of September, the journey goes on for so many. It does not end on September 30th. PCFLV will be here for each and every Lehigh Valley family who is on that journey…through the rest of 2019 and beyond!

With love, hope, and smiles,
Kris, Lori, Michelle, and Tracy
